

Bon Appetit Feature

The Finest Stalks

BLISTERED ASPARAGUS

<http://bit.ly/2kTLXgt>

It's the season for asparagus and it is in abundance. As your operators look for more vegetable ideas for all day part menus, asparagus can be a sensationally fresh® ingredient, a side dish, or a main course. All that's needed is inspiration and asparagus from Harvest Sensations.

This recipe was featured in May's Bon Appetit magazine with a multi-cultural recipe twist - just what consumers, especially millennials, are looking for. It is rated 5 stars!

Item	Pack	COO	FOB
Asparagus	11# carton	MX, PE, USA	CA, FL

Harvest Sensations is one of the largest suppliers of asparagus in the U.S. We source year-round directly from our grower partners in Mexico, Peru, and currently from California and Washington state.
