

Grower-direct
Questions About Fresh Basil?

WE HAVE THE ANSWERS

At Harvest Sensations, fresh basil is in a category all its own. *Why?* Because we sell a ton of it. *Why?* It's the #1 used fresh herb which requires volume. *Which means?* We have direct relationships and programs with growers in Colombia, Peru, Mexico, and in the U.S. *Why?* So we can follow the seasons around the world so your operators always get the quality they deserve – seasonally and sensationally fresh® everyday. *Call us when?* Now!
