# Sir, May I Have More Peas Please?

FRESH-SHELLED & READY TO EAT

Canned peas rank only #5 on a consumers vegetable priority list. Not surprising for the colorless mushy rounds. But, fresh-shelled English Peas are one of the biggest trending, fresh vegetables to be enjoyed raw or prepared.

Your operators are always looking for new dishes and menu ideas utilizing fresh and unique items.

Harvest Sensations Sensationally Fresh® English Peas fit the bill for a trending, fresh, healthy ingredient that's not from a can. Ewe.
