Mother's Day is the biggest foodservice day of the year. Operators will be smart to feature plant-based options and entrees that are on the lite-side for Mom. Baby heirloom bruschetta, za'atar roasted baby carrot and kale salad, and blanched grass and watermelon radish with Castelvetro olive lemon vinaigrette can be show stoppers for a Mom worthy food selfie. These Sensationally Fresh® ingredients shipping from Miami and Los Angeles. Contact hsmarketing@harvestsensations.com for recipes.
